Spacious, sophisticated and modern, the Mercury will rock your world. Invite guests to enjoy cocktails in the outdoor room before leading them inside to the formal dining room for a spectacular meal prepared in your gourmet kitchen. The L-shaped great room allows you to entertain while cooking but screens a casual dining area off from the family room. The primary suite is elegantly equipped with large bay windows and a bath sporting an oversized shower with seat, dual sinks and a large walk-in closet. When the office calls, there will be no interruptions as your study is located near the oversized garage. Upstairs, media and game rooms promise hours of entertainment.
