Volume ceilings and generously sized living spaces make the single-story Gilmour II sing. The contemporary design offers plenty of gathering spaces, as well as a few private nooks for relaxing. Bask in sunlight streaming through a wall of windows in the family room. Spread out at the expansive kitchen island while you bake up some treats. It's an easy commute to the private study from the primary suite which is itself large enough to create a second home office. The accompanying bath offers a walk-in shower, dual sinks and a massive walk-in closet.
