The Van Gogh II is a unique floor plan, well ahead of its time. Featuring five bedrooms and ample storage space, this design beautifully balances boisterous life with private spaces. Host in the game room or decorate cookies in the kitchen. Afterward, take time for yourself on the covered patio or your private sitting room. Both offer beautiful views of the sunflowers and irises in your garden. Join the rest of the residents in the media room to watch the latest Star Wars flick then usher everyone outside to delight in the starry night.
