It's crystal clear that the Quartz appeals to everyone. This popular single-story plan shines because of the great room. The layout allows you to simultaneously keep your eyes on architects constructing forts and others prepping for the big debate tournament. While they work, you can play in your extravagant open kitchen. There's plenty of counterspace for rolling out pizza dough. Set the toppings on the island and let the chefs get to work. The spacious primary suite can be your personal haven. Set up the adjacent study nook as a drop zone for everyone. The guest suite is nestled next to a full bath with dual sinks perfect for weekend guests!
