Perfect proportions and an abundance of well-placed features make the Oscar a blockbuster design you'll love coming home to. Say hello to the sun as it streams through oversized windows in your primary suite. Just around the corner is your home office, an inviting space that encourages creativity and offers an escape to the back patio or the ultra-modern kitchen when it's time for a break. Life is centered in the great room with a cozy family room, chic dining area and an ultra-modern kitchen. Three additional bedrooms located near the front of the house are private, quiet and serene.
