The strength of the Oak lies in its majestic design. It's simplicity itself to rustle up dinner in the gourmet kitchen featuring quartz countertops, stainless steel appliances and a center island. The dining room is steps away but separate from the wide living room. After dinner, throw down a video game challenge. You turned one of the upstairs bedrooms into the ultimate gaming room. Don't let it go to waste. The game room has become a comfortable flex room that easily transitions from home office to media room. Tuck into bed then retreat downstairs to your luxurious primary suite. Enjoy the peace and quiet.
