The Ash is designed to cultivate serenity. The wide front porch entices you to drink coffee al fresco in the mornings before heading indoors for breakfast. There's plenty of countertop space in the kitchen for you to spread out and chop some veggies for the perfect frittata. You have most of the day free, so why not use that extra time to exercise in the home gym you set up in one of the three bedrooms? Afterward, curl up with your favorite book in the generously sized family room. Guests are coming over for dinner later, but for now you have all the time in the world!
