The Turquoise is a divine single-story floor plan offering the flexibility you need to unlock your creative energy. A flex room near the front of the house could be a home office but could also house your ceramics studio or jewelry-making business. Unleash your inner interior decorator in the great room. Tie the family room, dining area and kitchen together with your favorite art and knick knacks. The Turquoise has two bedrooms where homeowners can decorate to please themselves. Then again, if you have been talking about canceling your gym membership and setting up the ultimate workout room, this plan is the one for you.
